The **Bureau of Indian Education** has partnered with **LRP Publications** to provide all BIE schools FREE valuable education resources to help better serve students! To gain a better understanding of the resources, and how they can help you on a daily basis, **orientation webinars** will be **provided in September and**

October 2018. Each webinar will last one hour (or less,) and will introduce all 3 resources, as described below. If you want to access the resources right now the attached flyers provides additional information and instructions on **how to access each website**. No need to wait for a webinar to start benefiting from these valuable resources!

If you plan on attending a webinar, please register for the webinar that best suits your schedule; you only need to attend one session. All sessions are scheduled using Mountain Daylight Time (MDT). Once your registration is approved, you will receive a confirmation email with instructions for joining the session you chose.

The **audio** for each webinar will be through a conference call, not your computer. After you have joined the online webinar, please dial toll free: 1-877-820-7831; the Passcode number is: 5656800 (followed by #).
