

Welcome to the Bureau of Indian Education

Online Training Courses

The BIE has developed a series of staff development online courses covering topics related to school safety, security, and substance abuse prevention. These courses are specifically designed for Bureau of Indian Education staff and administrators to enhance and reinforce training to assist in providing a safe and secure environment for the students and staff of BIE. Each of the courses offer a foundation about specific crime, security and substance abuse topics important to today's school environment.

The online courses are developed by recognized experts in their field, each of the professional instructors conduct courses at either major universities, law enforcement academies, and/or conferences. Here you will find a listing of courses to date:

- Introduction to the BIE e-Learning Courses
- Introduction to H1N1
- Prescription Drug Abuse
- Inhalant Abuse
- Introduction to Illicit Drugs and Substance Abuse
