

# IA Safety Connect

Indian Affairs has enhanced the IA Safety Connect tool, IA's one-stop-shop for Occupational Safety and Health information.

BIA/BIE/OJS personnel can use IA Safety Connect to:

- Receive guidance and support for occupational safety and health, motor vehicle program, workers compensation, etc.
- Review safety procedures, policies and best practices
- Communicate and track school safety requirements and documentation
- Identify, track and train Collateral Duty Safety Officers and other personnel
- Support and track Safety Committee Members
