Bureau of Indian Education, “Places You Have Lived” State Criminal History Repository and Local Law Enforcement Inquiry (LLEI) Identification Document

Purpose: This document is used to identify each location an employee, contractor or volunteer has lived during the scope of their background investigation. Tier-1 positions provide the last 5 years and Tier-2 positions provide the last 7 years. Contact HR Recruitment & Placement, HR Classification, or Contracting Officer Representative to determine the position sensitivity; which can be found within the Position Description, Position Designation Tool, or Statement of Work.

Where You Have Lived - List the State(s) where you have lived, beginning with the most recent and working back (5 or 7 years).

Tribal Residence (LLEI) - If you live or have lived on an Indian reservation, please include the state the reservation is located and the name of the reservation. Please include dates, beginning with the most recent and working back going back to your 16th Birthday.
