You can either email your Benefits Specialist directly or email your request to the benefits inbox at BIE-Benefits@bia.gov.

“Remember! To Dream of Retirement is Good.

To Plan for Retirement is Better!”

Bureau of Indian Education Human Resources Office

I want to retire!
Where do I start?

Retirement Information can be found at the following websites:

www.opm.gov

www.bie.edu

www.tsp.gov

www.ssa.gov

April 2022

Step 1: Submit Retirement Estimate Request Form.

Whether retirement is an immediate life event or something you are considering 5 years from now, we ask that employee's email or fax the Retirement Estimate Request form to begin the process.

We have a Benefits Team within the Human Resources Office that is dedicated to researching retirement options for employees and completing retirement estimate request.

Where do I find the form?

The Retirement Estimate Request Form can be found on our website www.bie.edu

What if I don't have access to internet?

Reach out to your Benefits Specialist to request a hard copy or check with your local Business Office at your school location for a copy.

Do I have to get my Social Security Statement to submit the form?

No, the Social Security Statement is not required to complete a retirement estimate. If you do not have your statement, submit your Retirement Estimate Request form without it.

Why do I need an estimate?

The retirement estimate helps in your retirement planning. We want employees to enter retirement with as much information as possible to aid them with the planning process.

Step 2: Be patient and check your email and mail.

A service history review and benefits check are completed as part of the retirement estimate.

This takes time to research as it can take approximately 4 weeks to complete. Your patience is appreciated during this process.

How do I know my request was received?

You will receive an email from your Benefits Specialist notifying you that we have received your Retirement Estimate Request Form.

How will I receive my completed retirement estimate?

There are several options for how you can receive your completed retirement estimate.

1. You can receive your completed retirement estimate by email.
2. You can request your estimate to be mailed to the address you provide.
3. If you have a PIV card and are logged on to the BIE network, you can view your completed estimate through the FHR Employee Benefits Center at <https://piv.fedhrnavigator.com/frbweb/logon.do?operation=index#>

Step 3: Review your completed Estimate.

Once you have received your completed estimate report, review all the information provided. Write down any questions you come up with during your review. This will help you gather your thoughts and prepare you for the next step.

Step 4: Schedule a consultation with your Benefits Specialist.

We currently have two Specialists to counsel all BIE employees and their schedule is maximized to provide counseling sessions, training sessions, and actual benefits processing. Be courteous to other clients by contacting your Benefits Specialist to schedule your appointment. **We prefer employees make appointments to ensure someone is available to assist.**

Step 5: Participate in your consultation session.

During the consultation session, we go through and explain the estimate report, the research, the process, and the retirement timeline. We also explain the separation process as you become a Federal Civilian Retiree, also known as an annuitant.

We recommend that you bring something to take notes with and bring your questions from Step 3. Also, ask additional questions during your consultation.

We encourage employees to enter retirement with awareness and preparedness. The biggest pitfall is to not manage or understand your retirement plan. Remember this is your retirement!

Step 6: Transition to the Office of Personnel Management (OPM).

As an annuitant your new servicing Human Resources Office is OPM. OPM Retirement Services can be reached at 1-888-767-6738.

The Bureau of Indian Education is now considered the last Federal Agency for which you worked.
