SY 2021-2022 Per Pupil Expenditures
Bureau Operated Schools Only

UNITED STATES DEPARTMENT OF THE INTERIOR

Bureau of Indian Education
1849 C Street NW, MIB-3610
Washington, DC 20240

This report contains the calculated Per-Pupil Expenditures (PPE) for the 2021-2022 school year for each Bureau Operated School in the Bureau of Indian Education. The Elementary and Secondary Education Act of 1965 (ESEA), as reauthorized by the Every Student Succeeds Act (ESSA), requires state educational agencies (SEAs) and their local educational agencies (LEAs) to prepare and publish annual report cards that contain specified data elements, including LEA and school-level per-pupil expenditures (PPE). However, nothing in federal law or regulations currently requires SEAs to develop a standard methodology for calculating PPE. Generally, all of the funds for the day-to-day operations of a LEA should be included. Expenditures represent the ongoing, day-to-day operations of schools and LEAs for elementary and secondary education. They include, but are not limited to, instruction, instructional support, student support services, pupil transportation services, and general administration.

Overall BIE PPE Based on Bureau Operated Schools for SY 2021-22: \$17,301.43
