McKinney-Vento Homeless Education Assistance Act

The McKinney-Vento Act guarantees a free, appropriate public education for all homeless children and youth by removing barriers to their enrollment and attendance in school and supporting their educational success. The purpose of McKinney-Vento subgrant is to facilitate the enrollment, attendance, and success in school of homeless children and youth.

• Provide school stability for students experiencing homelessness by allowing them to remain in their school of origin when this is in the child’s or youth’s best interest and providing transportation to and from the student's school of origin at the parent’s/guardian’s or unaccompanied youth’s request.

• Ensure that homeless students are provided services in such a way that they are not isolated or stigmatized.

For example, where appropriate, an LEA at its discretion may provide a student with an item of clothing to meet a schools’ dress or uniform requirement so that student may effectively take advantage of educational opportunities.

• Support extended-day & summer activities, or to provide school supplies, tutoring and other resources.

• after-school programs are provided by the school or the programs provided do not meet the needs of homeless children, McKinney-Vento funds may be used for after-school services for homeless children, and for non-homeless children who are at risk of failing in, or dropping out of, school.

Strategies to Serve Homeless Youth & Children Between Title I & the McKinney Vento Act (con’t)

- Initiate school efforts to make organizational accommodations for eligible students, as necessary, in such areas as transportation, remaining in the school of origin, records transfer, class scheduling, and special services that will help them enroll, attend, and succeed in school.
- Ensure that the needs of highly mobile students are included in the school improvement plans and not addressed as a separate issue.
- Establish and widely disseminate information on school-wide policies, procedures, and guidelines to identify and serve eligible students.
- Include homeless parents in Title I parental involvement policies and create opportunities for homeless parents to be involved.
