The beautiful thing about learning is that no one can take it away from you.

---

The minute you think of giving up, think of the why you held on for so long.

---

Nothing is impossible, the word itself says ‘I’m possible’!

---

Education is the movement from darkness to light.

---

It does not matter how slowly you go as long as you do not stop.

---

You are the creator of your own!!!!!!

---

Take charge of your education!

---

Don’t let what you can’t do stop you from doing what you CAN do.

---

Nothing is impossible, the word itself says ‘I’m possible’!
