13. Break for the Day-4:20pm
BIE Meeting  
March 27, 2014  
Albuquerque, New Mexico

14. Welcome at 8:30am –

15. Attend: Dr. Harvey Rude; Gloria Yepa, Dr. Jeff Hamley; Luvette Russell; Dr. Delores Gokee-Rindal; Dr. Juan Portley, Dr. Rosemarie Dugi; Dr. Jonathon Stout; Sue Bement Dr. Susan Faircloth; Norm Shawanokasic; Dr. Judith Hankes; Dr. Marilyn Johnson

• Jennifer Gillison; Sherri Tubby
• Excused- Dr. Billie Jo Kipp;

16. Call to Order
   a. Dr. Jonathon Stout

17. Discussion
   a. Priority Items vs Action Items?
   b. Attempt to get a response
   c. Letter from Board?
   d. New Format?

18. List of Board Priorities
   i. Early Childhood; Part B and C
   ii. Transition/Post-school success and outcomes
       1. What happens when they leave/transition?
       2. Is a survey done with past students – what is response rate – it is pretty high?
       3. Rates are included in report from yesterday.
   iii. Transition
       1. Opportunity for school and/or work
       2. Transition – combine success and transition
   iv. Parent Family - Participation
       1. How do we measure – parent survey
       2. Given feedback on monitoring and have given them training on procedural trainings and to train parents 3-4 times a year
v. Risk Behaviors/Prevention

1. Suicide – identify characteristics prior to the attempts
2. Issues on building capacity of system. How widespread is the issue and behavior plan? Build regional resource centers to acknowledge individual concerns. How affect school wide? Behavior supports and action plan and next step
3. Action Item:
   a. Requirement for systematic development and implementation of behavioral support systems and personnel
   b. Determine system wide data collection – which schools have it/use it and which don’t
   c. Staffing qualifications (see board)

vi. Tribal engagement/Interagency and collaboration

1. More keep focusing on kids with disabilities as well as parental training and support
2. Regional resource centers with expertise to deal with projects and design teams at tribal level, not one size fits all, 2-3 schools that all enough support from BIE to ensure compliance and towards results. Could be redundancy.

vii. Professional Development-Delivery system

1. How is professional development being delivered?

viii. Achievement Gap

1. Know this exists
2. Additional discussions

ix. Failure to provide related services

1. Lack of available experts, something out of our hands to do something.

b. Reviewing priorities and if other items need to be added
   i. Collection in timely reporting of data
ii. Showed as indicator for SIP and are having to address this
iii. Measureable outcomes
   1. Everything is data driven and try to limit list of priorities
iv. Early childhood special education
   1. Should have more oversight in that area

19. Selected Priorities
   a. Transition (Judith, Juan, Marilyn, Norm, )
   b. Early Childhood SPED
   c. Parent Training-(Harvey, Rose, Luvette, Delores, Susan)
      i. Justification
      ii. Indicator/SIMP
      iii. Priority Goal

Do they use this table?
