Director, BIE

NATIVE CULTURAL AND LANGUAGE INSTRUCTOR

CATEGORICAL PAY LEVELS:

Minimum Level: 01

Maximum Level: 03

DESCRIPTION OF WORK:

The Native Cultural and Language Instructor teaches tribal culture and language to Native American students in the classroom. Instructors plan, design and develop the curriculum and media to be used to provide the instruction. Serves as the resource person on Native culture, history and language at the school. They establish and maintain collaborative and cooperative working relationships with Native traditionalists, school management and education personnel, school staff and other stakeholders.

LEVELS OF RESPONSIBILITY

The School Board will set the Pay Level taking into consideration employee's knowledge of the culture and language to be taught. Employees at pay level 3 will have minimum pay of increment 06 and a maximum pay of increment 21.

BASIC EXPERIENCE:

The basic rate of pay for these positions will not be higher than the rate paid to qualified educators at the locale.

The appropriate School Board will determine the basic qualification requirements and set the pay level accordingly.

No specific education and/or experience required. Pay levels may range from 01 to 03. The local School Board and school supervisor will determine the basic qualification requirements for this position at each location.
