Enrollment by Residence

A snapshot of enrollment in the Bureau of Indian Education is collected every year on the first business day in October. The student count is the main base of funding for the Bureau of Indian Education, based on Title 14 of the Bureau of Education Code, and includes varied levels of funding based on educational needs. This count does not include students who enrolled after October 1st. It is also independent of the ISEP count which is the last Friday of October.

 *** The Bureau of Indian Education does not have migrant students.

On-track attendance shares the percentage of students who are not chronically absent. Students must be present and ready to learn to succeed academically. Chronically absent students are those students who are absent for any reason (excused or unexcused), such as illness or out-of-school suspension, for 10% or more of a school's total school time between October 1 and May 31. School Year is represented by the last year of the school year. For example, the 2020-2021 school year is shown as 2021

Proficiency

English Language Arts (ELA) proficiency shares what level of understanding students have reached based on a standard assessment.

Students who score at "Meets" or "Exceeds" have demonstrated an understanding at or above the standard for their grade level in English Language Arts. Students that are on grade level (proficient) have a greater likelihood of entry and success in education and career training beyond high school.

Participation

The participation rate is based on the number of students who are enrolled within the school for the entire testing window and take the annual assessment. If a student is enrolled within the school during the entire testing window and does not complete one or more items, the student will be counted as a nonparticipant in the participation calculation.
